CONNECT WITH HARBOR TRANSIT

Route 31 (and Go2 by MATS) give riders the ability to connect with Harbor Transit and travel to or from Grand Haven, Ferrysburg, and Spring Lake (Tri-Cities). Harbor Transit picks up and drops off at Timepoint I - Trinity at the Lakes.

1. Call Harbor Transit at 616-842-3200 and schedule a pick-up at the Trinity at the Lakes bus stop, letting the dispatcher know your destination in the Tri-Cities area. It is strongly recommended to schedule your Harbor Transit ride at least 24 hours in advance. It would be a good idea to schedule your return trip at this time, too, if possible.

2. Ride the MATS Route 31 (fixed route) or use Go2 by MATS to get to the Trinity at the Lakes bus stop to meet the Harbor Transit bus.

Harbor Transit Service Hours:

Monday - Friday 6am - 6pm
(last pick-up 5:30pm)

Saturday 9am - 4pm
(last pick-up 3:30pm)

Phone: 616-842-3200

WORKSHOPS

Want some hands-on training on how to ride the bus? MATS provides individualized or group training that can be scheduled at your location, at our location, or on a bus traveling one of our routes. Workshops are set up monthly, based on the number interested individuals. Training dates and times vary. Most bus ride trainings start and finish at HealthWest, but if you have a group of 10 or more, we can come to your location.

For more information or to schedule training, contact Mike Milligan, milliganmi@co.muskeogn.mi.us, or call 231-724-4730.
